

[CHAMBER NAME] PRESENTS

AI & YOUR BUSINESS

What Actually Matters?

**Understand the possibilities.
Consider your people. Decide what fits.**

What does AI actually mean for your business?

Join a practical, 60-minute conversation about AI, everyday work, and the people who make your business succeed.

LEAVE WITH A CLEARER VIEW

- Where AI could help your business.
- Where human judgment and relationships matter.
- What to ask before investing time or money.

Your questions help shape the conversation.

Real examples. Audience discussion. No AI experience needed.
